Applicants Name: _____

Applicants Email: _____

Jobsite Address: _____

- If existing concrete approach is against the curb area to be cut the approach concrete will need to be cut back 1' and removed by the applicant before the curb cut can be completed.
- Driveway approaches shall be no more than twenty-four feet in width at property line, and the total width of curb cuts from end of flare to end of flare shall be no more than thirty feet. Driveway approaches in cul-de-sacs shall be no more than eighteen feet in width, and the total width of curb cuts from end of flare to end of flare shall be no more than twenty-four feet. Curb cut flares shall be 3' wider than the driveway on each side. Curb cuts can be no closer than 3' to the neighbor's property line. 1" expansion is required between curb and approach and between house side of driveway and sidewalk.
